Dear Sir/Madam,

BREAKING NEWS AND INFORMATION

GLOBAL COMMUNITY EDUCATION GROUP FUNDRAISING APPEAL.

We are appealing for a grant of around £500,000.00 from Donors, Sponsors, Non Government Organisations (NGO's), Governments, Limited Company's, Sole Traders, Institutions and Universities, Private Companies, cheerful givers and individuals who wish to help etc. in order to save our organisation from closing down.

Due to Covid-19 we must relocate. We have a small unit with inadequate space to conduct our classes with social distancing as per the Governments Covid-19 guidelines, so desperately need new premises. We have found a new location in Westcliff on Sea, Essex, England.

Our authentic, credible, non-profit organisation is a life saving establishment of the globalcommunityeducationgroup.com. It is a professional service, providing services for every human being.

Our track records are very compelling. Supporting and training people from all walks of life. SAVING people from suicide, alcohol abuse, controlled hard drug additions. Our services include detox, rehab, supporting victims of homicide, crimes and domestic violence.

We also cater for programmes in creative writing, music therapy, health care, mental health care and other courses in TV and radio productions and presenters. All enquiries by post or email: gceggceg8@gmail.com

Ideally we are asking if 200 people can give £2,000 each to save our non-profit organisation however, all donations will be gratefully received. Those who donation over £2,000 can be listed on our board of committee members.
